## FOREWORD

by Pastor Peter J. Peters

Appearing in the June 1990, issue of *S.W.A.T.* magazine was an article entitled "J.P.F.O. IN DEFENSE OF FIREARMS OWNERSHIP". The article consisted of an interview with Aaron Zelman, a Jew, who was reported as forming a new, national organization: Jews for the Preservation of Firearms Ownership (J.P.F.O.). According to the editor's note at the end of the article, the interview had first appeared in the *American Survival Guide* magazine in November of 1989, and was reprinted with permission in *S.W.A.T.*

In that interview, Mr. Zelman seems to have made some confessions of tremendous magnitude concerning the Jewish question in America. Confessions that the casual reader would initially not grasp, and most kosher conservative leaders and pro-gun organizations are afraid to publicly acknowledge.

You can read the words of Mr. Zelman and decide for yourself if he did not in reality say, "thus and so", or in other words if he did not inadvertently confess that....! We have printed (in italics) portions of the interview with Mr. Zelman as it appeared in *S.W.A.T.* magazine. Then we have printed what appears to be the inadvertent confessions and followed up with our own comments.

The reader is reminded before he or she responds in a Pavlovian conditioned manner, with accusations of anti-Semitism, to remember that Mr. Zelman said it, I didn't, and he is a Jew. Dare you call a Jew a liar and risk being labeled anti-Semitic yourself?

I have personally found that whenever one speaks the truth concerning any Jewish, un-American, and anti-Christian activity in America one is viciously attacked, labeled and smeared by the media, and harassed by certain government agencies.

As a second witness to what can happen to one who discovers and speaks out on the Jewish issue in America, I would direct the reader to Col. Gordan Jack Mohr. Col. Mohr is a highly decorated war hero, a defender of America and freedom, who survived communist torture and a firing squad and has lectured in over 3,000 communities in 49 states and five foreign countries.

As a well-known, fundamental Baptist and lay evangelist he has spoken in some of the most prestigious and largest Baptist churches in America and for twelve years was on the America Opinion Speaker's Bureau. When he discovered the truth concerning certain anti-American and anti-Christian

Jewish activities in America, and began to write and lecture concerning the same, the Baptist doors closed to him, the Speaker's Bureau no longer had use for him and the IRS has come after him. Mr. Zelman confesses Jewish control in media and government, but Col. Mohr's experience shows it also exists in our churches and conservative organizations. Col. Mohr's address is 113 Ballentine Street, Bay St. Louis, Mississippi 39520.

Thus it's understandable (but not excusable) why many conservative pro-American leaders and groups refuse to address the truth concerning the Jewish issue in America. Such leaders and groups (and the people who support them) need to be reminded that it is the truth which shall set us free (John 8:32). To keep truth from our people for fear of the Jews is to help those who wish to enslave us. To deny truth is to deny Christ, for He is the truth (John 14:6). The servant is not above his master, and our Master, Jesus Christ, courageously spoke the truth when He exposed the ungodly activities of Jews (see John 8 & Matthew 23). To such leaders and groups I say, "it is time to be brave and do your duty".

Presently, hate laws which are anti-free speech and worship are being considered by American legislators. Such laws exist in Canada and forbid the speaking of truth concerning Jewish activities. For the sake of any jury who may someday be asked to examine this writing in light of such laws, I ask that you remember, **Zelman said it, I didn't.**

In this writing, we have not given the definition of a Jew since Zelman himself has not, nor have the Jews themselves. (It should be mentioned, for the purpose of those programmed in the Judeo-Christian churches of our land to believe the Jews are God's chosen people, that by their own writings they admit they are not.) In the 1980 Jewish Almanac, on page 3 under the heading *A Brief History of the Terms for Jew* one reads: "Strictly speaking it is incorrect to call an ancient Israelite a Jew or to call a contemporary Jew an Israelite or a Hebrew". In other words, the modern day people who call themselves Jews are not the Israelite people of the Bible. (The Jewish author, Arthur Kostler proves this in his famous book (and past best seller) *The Thirteenth Tribe*; it can be ordered from Scriptures for America and tells who most of them really are.)

The following quote comes from page 127 of the 1980 Jewish Almanac: "Hardly a major Jewish community has not been expelled by its HOST country. . ." But it is not told why they have been kicked out of so many countries so many times. Mr. Zelman's confession seems to give that answer.

It would seem that Mr. Zelman would agree with the late Henry Ford once said in 1922:

*"It is rather surprising, is it not, that whichever way you turn to trace the harmful streams of influence that flow through society, you come upon a group of Jews? In sports corruption—a group of Jews. In exploitative finance—a group of Jews. In theatrical degeneracy—a group of Jews. In liquor propaganda—a group of Jews. Absolutely dominating the wireless communications of the world—a group of Jews. The menace of the movies—a group of Jews. In control of the press through business and financial pressure—a group of Jews. War profiteers, 80 percent of them—Jews. The miasma of so-called popular music, which combines weak-mindedness with every suggestion of lewdness—Jews. And organizers of active opposition to Christian laws and customs—again Jews."*

*"It is time to show that the cry of 'bigot' is raised mostly by bigots. There is a religious prejudice in this country, there is, indeed, a religious persecution, there is a forcible shoving aside of the religious liberties of a majority of the people, and this prejudice and persecution and use of force is JEWISH and nothing but JEWISH."*

*"If it is 'anti-Semitism' to say that Communism in the United States is Jewish so be it, but to the unprejudiced mind it will look very much like Americanism. Communism all over the world, not in Russia only, is Jewish."*

Lastly it should be said that this writing is not copyrighted and permission is given to reprint all or any part if for nonprofit educational purposes. Credit need not be given. Just get the truth out. The S.W.A.T. article was and is copyrighted and has been printed and used in this writing in conjunction with title 17 United States Code section 107. (Emphasis the Author's)

# THE INADVERTENT CONFESSION OF A JEW

by Pastor Peter J. Peters

*Q. Aaron, what can JPFO do to defend gun ownership that is not being done by other pro-gun groups?*

*A. Jim, it is obvious that one of the major problems we gun owners face is the heavy influence (some call it a stranglehold) of left wing, liberal Jewish antigunners in the media and government.*

**The Confession:** Jews have a heavy influence (and even STRANGLEHOLD) in our media and government. Jews are leftwingers, liberals and anti-gunners.

**Comment:** Many others have tried to warn Americans that Jews control our media and government, but have been ignored by a Pavlovian T.V. conditioned populace. Now a Jew is giving the same warning. Will he be ignored also? To have a STRANGLEHOLD is to have a DEATH GRIP. If death grips are not broken, the victim dies.

---

*JPFO can do what needs to be done: forcefully challenge these individuals without the fear of being labeled anti-Semitic. The other pro-gun groups do excellent work, but they must daily tiptoe around the truth for fear of the anti-Semitic label, which would be used by the liberal media in a blink of the eye and without mercy. . . . To emphasize my point: Can you imagine a representative of any pro-gun group saying what I have just said in this interview, even though it is the truth? It's not that they would not want to, it's just they're afraid of being clobbered by the "anti-Semitic weapon!"*

**The Confession:** Pro-gun groups tiptoe around the truth concerning the left wing, liberal, Jewish influence in America and their anti-gun sentiments.

People (including pro-gun groups) FEAR being labeled anti-Semitic.

The anti-Semitic label is nothing more than a WEAPON, used by Jews, WITHOUT MERCY, against people who would be brave enough to tell the truth.

**Comment:** It is truth that sets us free (John 8:32) and to fearfully tiptoe around truth is to avoid freedom and victory. The reason for the ineffectiveness of pro-gun organizations rests in the fact that they refuse to identify and acknowledge their enemies.

*Q: What are your personal reasons for starting JPFO?*

*A: There are a small percentage of Jews, like myself, who are staunch supporters of gun ownership, but our side of the story is censored by the liberal Jews who heavily influence the mass media and government.*

**The Confession:** Most Jews are against gun ownership. Because of Jews there is no free press in America. Jews HEAVILY influence the mass media and government.

**Comments:** If a small percentage of the Jews are for gun ownership, then most of the Jews are against gun ownership. If the Jews censor the other side from being told, then the media is bias and there is not a FREE press.

---

*Another reason for forming JPFO is to combat the growing anti-Semitism in America, partly caused by antigun Jews. Hopefully, we will succeed in reaching non-Jewish gun owners in letting them know that not all Jews want to take their guns away from them. We may even possibly educate some Jewish antigunners and "convert" them to the pro-freedom, pro-American, pro-gun viewpoint; however, I'm not very hopeful that will happen.*

**The Confession:** Most Jews are AGAINST freedom, are ANTI-American, and ANTI-Gun: And most will never be changed or converted concerning such sentiments.

**Comments:** In my opinion, Mr. Zelman is telling us the real reason behind his gun organization. It's not so much to save our weapons, as it is to save his people from a possible American backlash. Should someone say Jews are anti-gun they can, in turn, point out Mr. Zelman and his organization and say "not so, see there". If most Jews are not pro-American and pro-freedom then that means most are ANTI-American and ANTI-you.

---

*Q: Can you tell us some of your plans for JPFO?*

*A: JPFO is preparing a series of advertisements that challenge liberal Jewish positions on gun ownership. The ads are designed to attack and destroy the myths and lies that liberal Jewish commentators, writers, actors, and politicians spew forth every opportunity they get...*

**The Confession:** Jews are liars. Jewish commentators, writers, actors, and politicians lie every opportunity they get.

**Comments:** "You are of your father the devil, and you want to do the desires of your father. He was a murderer from the beginning, and does not stand

*in the truth, because there is no truth in him. Whenever he speaks a lie, he speaks from his own nature; for he is a liar, and the father of lies." (John 8:44) "Children, it is the last hour; and just as you heard that antichrist is coming, even now many antichrists have arisen; from this we know that it is the last hour..." "Who is the liar but the one who denies that Jesus is the Christ? This is the antichrist, the one who denies the Father and the Son." (1 John 2:18,22)*

---

*The content of the ads is simple, but direct and will effectively put Jewish antigunners on the defensive and make them nervous about their place in America,...*

**The Confession:** Jews should be made to feel nervous about their place in America.

**Comments:** Mr. Zelman evidently thinks they should be made to feel nervous about their place in America since he's designing his ads to do so.

---

*It is also hoped that the ads will have a positive effect and will increase gun ownership, as well as educate people that a heavily armed citizenry is essential to thwart tyranny, the kind we have being pushed on us now or any future tyranny the liberals want to force upon us.*

**The Confession:** Jews want to push TYRANNY upon us.

**Comments:** Remember, Mr. Zelman has already told you the left wing liberals he speaks of are Jews. Thus, when he says liberals want to force tyranny upon us, he is in reality saying Jews want to force tyranny upon us.

---

*Q: What would non-Jewish gun owners have to gain by supporting JPFO?*

*A: Christians are the bedrock of America. This nation and all its goodness exists because Christians have, from its earliest beginnings, sacrificed their lives, their fortunes and even their children to horrible wars, to forge this wonderful and free country. But as we speak, an insidious liberal conspiracy, Jewish and non-Jewish is at work to destroy every shred of liberty and freedom we gun owners hold so dear.*

**The Confession:** America is not a Judeo-Christian country but rather a Christian country. There is a Jewish conspiracy. Jews are working to DESTROY liberty and freedom.

**Comments:** Why do conservative leaders and religious leaders speak of

a Judeo-Christian culture and ethic for America rather than the truth. Could it be they fear telling the same truth Mr. Zelman has told least they be labeled anti-Semitic?

---

*We must take a granite hard position that we will keep our firearms and enjoy our guns to our hearts' content, and if the antigunners don't like it, they can get the hell out of America! Let the war cry be proclaimed! Make no mistake about it, we are at war. "Armed citizens forever, liberal tyranny never."*

**The Confession:** Jews should get the Hell out of America. Americans are at war with Jews.

**Comments:** Mr. Zelman has already stated the left wing liberal Jews are the antigunners and that they will not be converted or changed. Thus, one can understand why he suggests they get out of America. If Americans are at war with antigunners and the antigunners he speaks of are Jews then his confession is obvious.

---

*Q: It certainly appears that many liberal Jews view guns as a threat. Do you think they view gun owners as a threat as well?*

*A: I believe the two go hand in hand. If one convinces themselves that an inanimate object is a threat, then it is a small step to assume that people who own those objects cannot be trusted with them. This type of thinking would align itself with the Big Brother Government mentality that all antigunners promise to be the answer to solving the problem of crime. (From a previous comment on the same subject)...Finally, the ads will make it very clear that not all Jews distrust fellow Americans who own firearms as do the liberal Jewish antigunners.*

**The Confession:** Almost all Jews distrust fellow Americans who own firearms. Most Jews want Big Brother Government (which is another term for tyranny and communism)

**Comment:** Most Americans do not feel uncomfortable with their fellow countrymen and neighbors owning firearms, so why would the Jews? Could it be because most Americans are not doing anything to their fellow Americans that would merit their neighbors using those weapons against them?

---

*Q: Should non-Jews be concerned about an increase in anti-Semitism and guard against it?*

*A: Absolutely, but I bet most Christian gun owners haven't given it much thought—and they should. Let me create a scenario for you. If firearms are used in the commission of any acts of overt anti-Semitic violence, there will be an enormous crying out by the liberal controlled media and government to ban all guns. Anyone who speaks out against the bill will automatically be labeled anti-Semitic. The possibility of a violent anti-Semitic act being perpetuated should not be discounted. I believe that gun haters would stop at nothing to achieve their goal. There is a growing body of information that strongly suggests the possibility that the Stockton schoolyard killings by Patrick Purdy may have been orchestrated by high government officials with the help of certain antigunners.*

**The Confession:** Jews may purposefully and secretly stage an act of overt violence against themselves in order to outlaw weapons.

**Comments:** Mr. Zelman seems to put the pro-gunners in a lose, lose situation here. He has already established that antigunners are Jews and that progunners are at war with antigunners to the point of needing to be armed to oppose tyranny. Then he says any violent act against them will work to disarm the progunner, yet they themselves could stage such an act. When people are put in a lose, lose situation they are cleverly and effectively neutralized. Could this be Mr. Zelman's purpose here? (To more fully understand this neutralization process order "A Double Minded People—Dialectical Materialism" from Scriptures for America P.O. Box 766 LaPorte, Colorado 80535 available for a \$0.50 offering)

---

*Q: What would you like to say to liberal antigen Jews who may read this interview?*

*A: Hopefully, the incredibly low percentage of Jews who whole-heartily agree with my positions and realize that pro-gun Jews must stand up and support gun ownership in America will join and support JPFO. For Jews who will not join, and I suspect will viciously attack JPFO for telling the truth, I want to remind them to appreciate all the opportunities that America has given to its Jewish citizens and all that America has given to Israel.*

**The Confession:** Jews viciously attack those who tell the truth. Jews are unappreciative of what America has done for them.

**Comments:** If an incredibly low percentage of Jews agree with Mr. Zelman's position then almost all Jews think alike and oppose such a position. To say Jews need to be reminded they should appreciate what America has done for them is to say Jews are unappreciative of what America has done for them.

---

*I urge them to repudiate their un-American political agenda and to publicly denounce their associates, Jewish and non-Jewish, who are hell-bent to destroy freedom and liberty. If they refuse to refute their gun hate, then I wish they would get the hell out of America before their liberal antigun views fuel a virulent anti-Semitism that spreads to all Jews!*

**The Confession:** Jews have an un-American, anti-freedom political agenda. Jews are un-American and hell bent to destroy freedom and liberty.

**Comments:** Again Mr. Zelman seems to give the real reason behind his organization. That is to stop what he fears could become a fiery eruption and virulent spread of anti-Semitism. He seems to have already said that they won't change. Thus, he seems to be saying "Get the hell out of America or else...".

---

*One more thing. Many liberal Jews mistakenly believe that the police will protect them against angry armed Americans. The police, for the most part, support an armed citizenry. The police are sworn to uphold the Constitution and that takes precedence over defending left-wingers who are seen as anti-Constitution. Frankly, I don't know of any police officer who is willing to die so that the Constitution can be destroyed.*

**The Confession:** Many Jews believe a police state is their protection. Jews have reason to fear an angry armed citizenry.

**Comments:** If people who heavily influence the media and government believe police are their protection, then such people will continually push for a large, strong POLICE STATE. Could this be the purpose in the government's war on drugs? Could this be the reason for so many Jewish Hollywood and T.V. cop shows and movies? Mr. Zelman seems to also be giving a prophetic warning to any policeman (or law enforcement person) that may fight against their fellow Americans in favor of un-American Jewish causes. He seems to be warning them that if they do THEY WILL DIE.

---

*Q: What do you think are some of the causes of Jewish involvement in the antigun movement?*

*A: The most vocal of liberal Jewish antigunners do indeed understand why they want Americans disarmed, as it is a crucial step for total control of people's lives and destiny, which is the ultimate goal of the liberal political agenda.*

**The Confession:** The Jews want total control of the people's lives.

**Comments:** Total control of people's lives can never come about until the people themselves are totally disarmed. Americans sense the people control of Big Brother government getting stronger every year, but have not had political or religious leaders brave enough to tell them who is promoting it.

---

*Q: You've mentioned the liberal Jewish influence in the media. Can you give us some insight?*

*A: Two of the most powerful newspapers in America have a long history of liberal antigun views: the New York Times and the Washington Post. Both publications are vehemently antifreedom, antigun ownership. Their news and wire reporting services create articles for daily papers throughout America, which then impacts on what news they want you to see in the newspaper or on television or hear on radio.*

*Liberal Jewish antigunners also make up a large percentage of the writers, directors and producers that create the antigun message for most of the mindless pap that appears on television or other forms of electronic programming.*

*If effective measures are not taken immediately to destroy this media conspiracy against us, then I predict legal firearms ownership will cease to exist in just a few years in America.*

**The Confession:** The Jews control America's media and that is why it is vehemently antifreedom and antigun ownership. There is a Jewish media conspiracy. If the Jewish media is not DESTROYED (soon) then legal firearm ownership (or the Second Amendment) will soon cease to exist in America.

**Comments:** It is difficult to determine if Mr. Zelman is telling freedom loving, gun owning Americans to execute media personal that would write, broadcast or air antigun propaganda or what? He uses the word DESTROY and has already said they will not change. Perhaps he means the media should be bought up by progun, pro-American people. Then again, if it's a media conspiracy, the conspirators will not sell (even if others had the money to buy, which at this point seems highly unlikely) and he does previously indicate progunners are at WAR against tyranny and need to be armed. Could it be he's warning Jewish and non-Jewish media personnel, such as reporters, news commentators, etc. that it's dangerous for them to prostitute themselves to Jewish causes?

---

*If the government doesn't trust us to be able to defend ourselves, what is the government planning that we don't know about? How much longer before domestically produced semiauto weapons are banned if George Bush and his buddy Howard Metzenbaum, the notorious liberal Jewish gun-grabber, have their way?*

**The Confession:** Americans won't like what's going to happen to them if they continue to allow the Jewish controlled government to disarm them.

**Comments:** Mr. Zelman has already indicated there is a Jewish gun-grabbing conspiracy and here he seems to be implicating George Bush in the conspiracy. Someone has wisely said, "American people can no longer trust a government which no longer trusts them to own firearms."

---

*Q: Why do you think there is such a concerted effort to disarm Americans?*

*A: I think the liberal controlled government has made such a mess out of our environment, the budget deficit, the AIDS epidemic, public education, you name it, that when you look at what the future appears to hold and you look at the present mess, the first thing that comes to the mind of a liberal is, "Get rid of all the guns, or we might be the target of everyone's anger!" We need a new form of government. One with as little intervention in our lives as can possibly be and, obviously, one enlightened enough to realize the wisdom of a heavily armed citizenry and stringent criminal control.*

**The Confession:** Americans need to get Jews out of government (i.e. we need a new form of government). The Jewish controlled government is responsible for the environmental mess, AIDS epidemic, and public education mess.

**Comment:** Remember Mr. Zelman has already identified the liberals he speaks of as Jews. Thus, when he says liberal controlled government, he is saying Jewish controlled government. When he speaks of "the mind of a liberal", he is speaking of "the mind of a Jew". It seems he is saying there is no future unless Americans get rid of the Jewish controlled government. It seems he is saying when this happens there will be little government intervention in our lives.

---

*Q: Do American Jews fully understand the danger of a disarmed America and the effect it would have on the security of America and Israel?*

*A: Some do, but the majority of American Jews who make up the liberal antigun crowd do not. A disarmed America would be a weak America and a weak America cannot help Israel continue to survive, much less any other*

*democracy. Once Americans are disarmed, a political party could come to power in America that is hostile to Jews and Israel. With increased foreign ownership, we Americans must be ever vigilant of this possibility. Without continuing American aid, Israel would perish.*

**The Confession:** Mr. Zelman has not started his national gun organization because he's pro-American, pro-freedom, and pro-gun but because he is a Zionist, who is PRO-ISRAEL.

**Comments:** Mr. Zelman has already stated nearly all Jews are un-American, anti-freedom, anti-gun ownership, unappreciative, are pro-tyranny, pro-people control and pro-big brother government and that they most likely will never change. But, he would have everyone believe he is a different kind of Jew. However, he gives himself away when he tells why he's for an armed America. To him an armed America is a strong America and a strong America means continuation of blood sucking, economic aid to the parasite country of Israel. He seems to know a weak host means slim pickings' for its blood sucking parasite.

Is Zelman an America-first type of guy, or Israel-first Zionist? He has already stated he won't get money from the Jews and then in turn flattered Christians from whence he'll get his money, all with the true intention of preserving the Zionist state of Israel, where it is against the law to even pass out a Christian Bible on the streets.

The parasitical, bastard state of Israel, that delights in murdering innocent Arab women and children (the Jews there have all the guns) and is vehemently anti-Christian, is a JEWISH state. Mr. Zelman has already told us the Jews are anti-freedom, un-American, and desirous of total people controlled Big Brother Government (some just call it communism). Then he says he wants a strong America, so a state full of Jews can receive economic aid. Maybe Mr. Zelman is not a different sort of Jew after all. But we can at least be grateful to him for having made such eye opening confessions. Confessions that came right from the horses mouth, so to speak.

*"...Shouldest thou help the ungodly, and love them that hate the LORD? therefore is wrath upon thee from before the LORD." (II Chronicles 19:2)*

*"Another parable put he forth unto them, saying, The kingdom of heaven is likened unto a man which sowed good seed in his field: But while men slept, his enemy came and sowed tares among the wheat, and went his way. But when the blade was sprung up, and brought forth fruit, then appeared the tares also. So the servants of the householder came and said unto him, Sir, didst not thou sow good seed in thy field? from whence then hath it tares?"*

He said unto them, An enemy hath done this. The servants said unto him, Wilt thou then that we go and gather them up? But he said, Nay; lest while ye gather up the tares, ye root up also the wheat with them. Let both grow together until the harvest: and in the time of harvest I will say to the reapers, Gather ye together first the tares, and bind them in bundles to burn them: but gather the wheat into my barn. . . Then Jesus sent the multitude away, and went into the house: and his disciples came unto him, saying, Declare unto us the parable of the tares of the field. He answered and said unto them, He that soweth the good seed is the Son of man; The field is the world; the good seed are the children of the kingdom; but the tares are the children of the wicked one; The enemy that sowed them is the devil; the harvest is the end of the world; and the reapers are the angels. As therefore the tares are gathered and burned in the fire; so shall it be in the end of this world. The Son of man shall send forth his angels, and they shall gather out of his kingdom all things that offend, and them which do iniquity; And shall cast them into a furnace of fire; there shall be wailing and gnashing of teeth. Then shall the righteous shine forth as the sun in the kingdom of their Father. Who hath ears to hear, let him hear. (Matthew 13:24-30 & 36-43)
